

Invitation to lecture

With great honour we invite you to the lectures organized as part of our TransMedRi project efforts, as follows:

Dr. Antonella Bandiera

Università degli Studi di Trieste – Department of Life Sciences
Trieste, Italy

***Human Elastin-like polypeptides (HELPS): a family of biomimetic,
protein-based biopolymers for biomedical applications***

The lecture takes place on April 4th 2013, at the University of Rijeka Faculty of Medicine (Lecture hall), at 12.00.
